Inform All persons who are coming to Finland for International Grand Markets 2020.

Fill in each persons information individually, because based on these informations, we will make you a certificates that helps you to travel into Finland. Same info we need if there is necessary to order covid-19 tests.

We want each person to have a fresh covid-19 test certificate before starting work. It is desirable that individuals take covid-19 tests in their own country before entering. Through us, testing is successful in Finland at Terveystalo, which is a private hospital. The test costs about 230 euros per person.

By signing this form, you agree to comply with the regulations of TMK and the Finnish authorities
