

Electricity usage - International Grand Markets

Required to be filled! To be returned by 31.1. to tmk@markkina.net

We need accurate information about the electricity you need so that we can reserve enough capacity. Be specific and fill out the form as precisely and carefully as possible so you can be sure that your sales activities will not be interrupted due to a lack of electricity. Fill own form for every point of sale. Thank you.

WE REQUIRE FROM ALL TRADERS

- All lights in use should be LED lights
- Own electricity box, if several cables are needed
- Try to save electricity as much as possible
- Use only extension cords that are intended for outdoor usage
