

Enter Finland with econia

Econia is your partner in entering the **International Grand Market** in Finland.

We take care of your tax and financial administration:

- registration of your company
- VAT-handling as your local representative
- bookkeeping of your sales in Finland
- contacts to Finnish Authorities

Econia has supported hundreds of foreign companies and entrepreneurs in their projects in Finland. Our customers come from 20 different countries and vary in size, ranging from small and medium sized to multinational companies. We provide a fast and efficient service in Finnish, English, German, Swedish, Polish and Russian.

Let us support your stay at the international Grand Market!
